RE: Department of Revenue 2018 Regulatory Review

In accordance with Executive Order 3-18, I am submitting the accompanying Regulatory Review Report for the agencies that comprise the Department of Revenue. As requested, I am providing James with a hardcopy notebook and a thumb drive, while sending only a thumb drive to Jared.

I am pleased to report that our agencies have identified 25 rules that can be repealed. A list of these rules is attached as well as included in the notebook and on the thumb drive.

In regard to the rules identified as needing modified, I will be working with our agencies to prioritize their needs and address these needs in a systematic fashion.

Please let me know if you have any questions.
